**Subject:** Arkwood - New Project Coordinator

Stephen and Mark,

Please see the attached notification that there will be a new Project Coordinator for the Arkwood Site. A hardcopy of the notification will also be sent. My husband and I have both decided to retire in June. Jim Fleer joined McKesson on March 9 as Director of Environmental Services and is taking over my responsibilities. Please contact me if you have any questions about this transition.

Sincerely,

9600018

Jean
